NOTIFICATION OF WORKS Gerrards Cross Tesco Store

Packhorse Road Resurfacing Works taking place on Saturday 6th February 2010

Dear Resident or Property Owner,

In order to improve the pavement of Packhorse Road near to the Tesco Store development's main site entrance in Gerrards Cross, carriageway resurfacing work will shortly be undertaken by Costain.

This resurfacing operation will necessitate the use of a milling machine to remove the existing pavement surface, after which fresh asphalt will be laid. The work will take place on alternate halves of the carriageway to allow vehicles to transit as normal while under local traffic management.

On account of the location and potential traffic disruption this work could cause during standard daytime hours, Costain has requested special dispensation from the council for this operation to commence at approximately 2000 hours in the evening of Saturday 6th February 2010, with an anticipated completion of work by about 2330 hours on Saturday 6th February 2010.

If you have any further queries regarding these activities please direct them to Costain's Office during office hours on 01753 279833, or alternatively out of office hours on 07824 303400.

Yours faithfully,

Martin Baughurst,
Project Manager.
