NOTIFICATION OF WORKS Gerrards Cross Tesco Store

West Portal Night Works commencing on Tuesday 14th April 2009

Dear Resident or Property Owner,

As part of the works for the development of the Tesco Store in Gerrards Cross, work will shortly commence on the new West Portal to the tunnel, adjacent to Packhorse Road Bridge.

A 250t capacity mobile crane will, commencing Tuesday 14th April 2009, install the first 15 of 31 tunnel units. Temporary framing will then be erected to support the tapered contour of the remaining tunnel units. Subsequently, these final 16 units will be installed commencing in late May 2009.

The placing of the tunnel units and temporary framing will take place exclusively at night when the railway is closed to all traffic. The times available for this rail possession work are Sunday from 0035 to 0730 hours, and Monday to Saturday from 0035 to 0530 hours.

At times during this period it is possible that you may hear this plant working; we would like to apologise in advance for any inconvenience that this may cause. Measures will be implemented to reduce this sound the lowest practicable level.

Please see overleaf for an artist's impression of the completed West Portal.

If you have any further queries regarding these activities please direct them to Costain's Office during office hours on 01753 279833, or alternatively out of office hours on 07824 303400.

Yours faithfully,

Martin Baughurst,
Project Manager.
