

**COSTAIN**

## **NOTIFICATION OF WORKS Gerrards Cross Tesco Store**

### **Night Works commencing on Sunday 15<sup>th</sup> February 2009**

Dear Resident and Property Owner,

As part of the works for the development of the Tesco Store in Gerrards Cross, Costain has previously constructed an access ramp and crane platform adjacent to the current tunnel collapse zone, to enable the installation of new replacement tunnel units.

A large Crawler Crane will be transported to this location and erected over a three-day period, commencing Sunday 15<sup>th</sup> February 2009, and subsequently works to install the tunnel units will commence.

The placing of the tunnel units will take place exclusively at night when the railway is closed to all traffic. The times available for this rail possession work are Sunday from 0035 to 0730 hours, and Monday to Saturday from 0035 to 0530 hours.

At times during this period it is possible that you may hear this plant working, we would like to apologise in advance for any inconvenience that this may cause. Measures will be implemented to reduce this sound to the lowest practicable level.

If you have any further queries regarding these activities please direct them to Costain's Office during office hours on 01753 279833, or alternatively out of office hours on 07824 303400.

Yours faithfully,

Martin Baughurst,  
Project Manager.
